## TRINITY 8 BOSTON COLLEGE 1.

### Woodle Fans 15, Allows One Hit.

The first home game of the season was played Saturday afternoon on Trinity field against an aggregation from Boston College. The score was 8 to 1 in favor of the home team. The game was fairly good, but the attendance was small and it was a little too cool to be an ideal baseball day. Trinity played the better game throughout and there was never much doubt as to the result. The Boston players simply were unable to connect with Woodle's curves while Finn, the opposing pitcher, was touched for seven safe hits.

In the first inning Connor drew his base, stole second and came in on a passed ball by Doyle. The side was then retired. In the next inning Boston College scored its only run. On an error by Woodle, O'Kane got to first and a sacrifice hit by Hopkins advanced him to second. Woodle then passed three men and forced O'Kane home.

There was no more scoring done until the last of the fifth when Trinity scored six men. N. H. Gildersleeve, the first man up, was passed to first. He stole second. Finn gave Woodle his base on balls. Connor with a neat single scored Gildersleeve and advanced Woodle to third. By an error of Hopkins, Webster got to first and Woodle came in. Boston seemed to be up in the air now. Finn made a muff and Carroll was safe at third. Xanders made a hit and stole second. Smith then made a single and Carroll and Xanders both tallied. The side was then retired. N. H. Gildersleeve scored again in the eighth inning.

The two features of the game were the pitching of Woodle and the excellent work of N. H. Gildersleeve at short. Woodle, although at times erratic, struck out fifteen men. Gildersleeve's record was one double, one single, two bases on balls, three stolen bases, three put outs, and one error. The summary:

## TRACK TEAM TRIALS.

The trials for the track team took place on the athletic field last Saturday afternoon. The results were quite satisfactory to Coach O'Connor. The men seemed to be in good form with an abundance of endurance. The following men competed in the trials: 100 and 220-yard dash, G. Buck '09, Capen '10, D. Clark '10 and Burdick '11.

440-yard run—G. Buck '09, D. Clark '10 and Oliver '10.

Half mile run—Morris '08 and Oliver '10.

Mile run—Morris '08, D. C. Pond '08, Howell '11 and W. Buck '11.

Two-mile run—D. C. Pond '08, Dibble '09 and S. A. Haight '11.

Pole vault—Cadman '09, Harmon '10 and Maxon '11.

High jump—Olmstead '08, P. Roberts '09 and Cadman '09.

Broad jump—H. Pond '08, Maxson '09 and Harmon '10.

120 and 220-yard hurdles—Olmstead '08 and H. Pond '08.

Hammer throw—Maxson '09, Gott '10, A. Clark '11 and Thaxter '11.

Shot put—Donnelly '08, Gott '10, Ramsdell '11 and Thaxter '11.

Discus—P. Roberts '09 and Eaton '10.

Edsall and Sould both got over 9 ft. 6 in. in the pole vault Saturday, but this would seem to be about their limit, as they began to lose their form after 9 feet.

In the weights, Wesleyan appears to be weak and in all three scored but one point against Amherst. But it is certain that special attention will be paid to this department in the coming two weeks, and they will not be so weak here against us.

Looking over their team as a whole it would seem that we have an even chance of defeating them, but it will be the closest kind of a meet, and every point will tell. But there are some events in which special care must be taken. It is imperative that a sprinter be developed sufficiently good to break up a little of Wesleyan's strength in the dashes. In the broad jump three men must be developed into consistent performers. The weights must be given careful attention and three good men in each event must be entered in order to duplicate Amherst's feat. We have the "makings" in college right now for a bunch of really good weight men, and the winning of the meet hangs largely on the outcome in this department.

If the team continues to develop as it has been doing steadily and none of the star men go stale, as one or two seem on the verge of doing, we may look forward to one of the greatest track meets in Trinity's history with excellent chances for a victory.

President Luther will preside over the meeting of the Republican State Convention which will be held in Hartford this week.

The freshman class held a meeting in the English room yesterday.

## TRIALS FOR SENIOR DRAMATICS.

### Would-be Players Are Enthusiastic.

On Saturday afternoon the trials for the parts in the senior theatrical venture, "The Stranger in the Church," were held in Alumni Hall. The college body showed its interest in the work by responding with a will. Every class was well represented, a fact that is significant in itself.

After a short talk by Prof. Brenton, who is to act as coach and advisor, in which he outlined the plans, and laid special stress upon the necessity of every man's presence at rehearsals, the candidates for the girls' parts were called for. Cross '08, Wolfe '08, G. Brown '10, Yates '11, Sherman '11, Harmon '10 and Groves '10 went through the usual test of ability, during which the committee which is composed of MacGuyer, chairman, Cameron, Porter and D. C. Pond all of the senior class, made notes upon each participant's carriage, voice, etc. The male characters were then tried out and Corbett '08, Budd '08, Donnelly '08, Stevens '08, H. C. Pond '08, D. C. Pond '08, P. Roberts '09, Cameron '08, Phillips '08, Backus '09, Konvalinka '11, Myers '09, Chandler '09 and A. M. Smith '10 showed what they could do in the dramatic line.

The prospects are very gratifying to those interested, as the material is exceedingly good. The male parts will doubtless be exceptionally well played, the greatest difficulty being with the "fems," which naturally are difficult for the sterner sex to correctly portray. However, this difficulty will probably be eliminated by hard work and Prof. Brenton's coaching. The results of the trials will be announced soon, in order that the regular cast may get to work at once. Rehearsals will then be held three times each week.

## BEN GREET PLAYERS.

Seats are now on sale for two plays to be given by the Ben Greet players. All who saw these players last winter will be glad to know that they are coming here again on May 28th under the auspices of Trinity College. They will give two of Shakespear's woodland plays, "As You Like It," being scheduled for the afternoon and "A Midsummer Night's Dream" for the evening. The committee which has the matter in charge is composed of several Hartford ladies, of whom Mrs. Charles Dudley Warner is the chairman, and on whose grounds on Forest street the plays will be given. There is also an advisory committee composed of Charles Hopkins Clark, editor of the Courant, George Keller, Walter Goodwin, President F. S. Luther and Professor Cranston Brenton. All the wives of the professors are included in the list of patronesses. Seats are on sale at Sedgwick and Casey's and John M. Gallup & Co.'s.

## WESLEYAN-AMHERST MEET.

(Special Correspondent to the Tripod.)

Wesleyan and Amherst met on the track last Saturday in one of the first contests of the year among the New England colleges, and as the result gives a good line on the former's prospects this year, it may be interesting to publish a short summary. The meet itself was very closely fought, and with but one event to be run off the score stood 60 to 57 in Amherst's favor, but as they took eight points out of a possible nine in this final event, the meet ended with a score of 68 to 58 against the Red and Black. This in itself shows the general strength of Wesleyan's team, for Amherst has a great reputation as a track college and always turns out an excellent team. This is better realized when it is called to mind that Bacon, Wesleyan's best hurdler and a good sprinter, was unable to enter the meet because of injuries he had received in practice. Besides this misfortune Farady, who would almost certainly have captured first place in the 100-yard dash, was taken with a cramp in his leg at the start of the finals and was unable to finish. It is therefore evident that with a fair break of luck, Wesleyan would have beaten Amherst.

As to the individual events, Robson and Faraday are two mighty fast men in the two dashes, while Faraday and Gray are among the best quarter milers in New England, the former covering the distance Saturday in 51½ seconds, a new Wesleyan record. In the half mile Wesleyan pins its faith on Captain Gray, and they have a right to place confidence on him, for his sprinting ability makes him a dangerous man in any field. The distances are attended to by Connor, a really great distance runner. The mile went in 4 minutes, 38½ seconds Saturday, the first quarter going in 60 seconds flat, showing the gruelling way he runs. Wesleyan is apparently weak in the high hurdles, but Bacon will add strength here when he returns to the track. In Kent they have a good reliable man in the low hurdles, and he will be running in fast time by May 16th.

Wright and Sutherland appear able to negotiate 5 ft. 6 in., in the high jump at any time and will prove hard men to beat. Kent again comes forward in the broad jump with 21 feet flat, and although at present appears an inconsistent man he will without doubt be able to duplicate this distance against us.

## PRAISE FOR COACH MURPHY.

Coach Murphy deserves the heartiest congratulations of every one interested in Trinity athletics for the excellent work of the baseball team last Saturday. He is evidently getting his men to play the sort of ball he wants them to, and it is the "heady" kind, which it is a pleasure to see. The working of the "avalanche" play Saturday was a credit to any team, and is not seen very often in college games.

## EDITORIAL.

The funds of the Athletic Association at the present time are very inadequate. Up to date only about fifty men have joined the association, this means but two hundred and fifty dollars to carry on athletics for the rest of the year. Three hundred and seventy-five dollars will be needed for guarantees to visiting teams in baseball and track during the coming month. To this amount must be added the salaries of both coaches and money to buy equipment for the athletes. It can be plainly seen that it is up to all of the men in college to join the Athletic Association. This cannot be put too strongly. Last fall more than one hundred and thirty men were members in the association, and what is more, all of the undergraduates agreed to join the Athletic Association during the entire year. As it is, only about twenty-five per cent of the college body are now members. There are probably not more than twenty men at the most, who really cannot pay their athletic dues. It is simply a matter of a little self sacrifice on the part of the undergraduates. Certainly it is up to every man to join the Athletic Association immediately and not wait until time for the spring elections. Athletics cannot be run on promises or unpaid bills, coaches will not do their work as well as if they are paid in full, alumni will not attend the games—unless the undergraduates support the teams and the Athletic Association better. Again we will say it is up to every man to become a member of the Athletic Association immediately.

There will be a short meeting of the Glee Club this evening followed by a campus sing at which everyone is requested to be present. If this attempt at a college "sing" is successful a number will be arranged for this spring.

H. C. Neff '10 is confined to his room on account of illness.

## PRESS COMMENT.

The Hartford Globe prints the following comment on the coming meet with Wesleyan:—

"It will be remembered that last spring athletic relations between these two old rivals were resumed after a lapse of two years, and since then each has been successful in one of the other major sports. Wesleyan winning the final baseball game last spring after the memorable 19-inning tie had been played in Hartford, while Trinity triumphed on the gridiron last fall before one of the largest and most enthusiastic crowds that has ever turned out in this city. The winner of the track meet on May 16th will then have an undisputed claim to athletic supremacy.

"The officials for the meet have been carefully selected, and include a number of prominent citizens and well known lovers of sport, among whom are Mayor E. W. Hooker, Lieut. Gov. E. J. Lake, E. Kent Hubbard, jr., of Middletown, president of Trinity's athletic advisory committee, Dr. Beach of this city, Leonard Ellis, R. O. Eaton and Prof. J. D. Flynn, R. G. Gettell and R. B. Riggs.

"The meet itself promises to be a fast one, and as Trinity field is rounding into excellent shape it will be surprising if a number of records do not go by the boards. 'Dope' has already begun to be worked out, and such close scores as 65 to 61 are predicted, partisans of each college of course picking their favorite to win.

"Wesleyan appears confident of its team, and this undoubtedly seems well based after their excellent showing against Amherst yesterday. Bacon, their star sprinter and hurdler, is temporarily out of condition, owing to an injured leg, but undoubtedly will be all right before the meet with Trinity. It might not be out of place to review the prospects of the teams a little in each event.

"Wesleyan seems to have the sprints well in hand with two little stars, Faldaday and Bacon, and they should also score heavily in the quarter. The half will bring out perhaps the best race of all, and will be one of the events on which the outcome of the meet depends. It will be a fight to a finish between Captain Gray of Wesleyan and Morris, Trinity's great runner. Both are hard finishers and something sensational is sure to develop. D. C. Pond of Trinity would seem to be easily the best man in the two-mile run and will probably be the favorite in the mile.

"The hurdlers will both be close events between Bacon and Kent of Wesleyan and Olmsted and Pond of Trinity, with little to choose between them, although on form Olmsted would seem to be the best of the pair.

"The high jump, although probably a close contest, is conceded to Wesleyan, while the pole vault seems to be Trinity's event. The broad jump will be very close and probably the points will be well split up.

"At present it seems that Trinity has the advantage in the weight event, but as they have but one good man in each of the three events they will not be able to get much advantage here. It would seem therefore that it will be a matter of two or three third places which will decide the meet. This will make certain intense enthusiasm and every event will be worth going to see."

 ies with Prof. W. R. Martin, then a

 rected his attention to a passage in  
 Groeber's Grundriss der romanischen  
 Philologie, page 567, mentioning the  
 existence of a Francoprovençal dialect  
 at Celle San Vito in the province of  
 Capitanata in Apulia. Suchier there  
 says that nothing is known regarding  
 the origin of this colony. Having been  
 born only six miles from Celle, Dr. De  
 Salvio was then much interested in the  
 circumstance. He has recently availed  
 himself of the opportunity afforded by  
 a visit to his old home to make a care-  
 ful scientific study of the peculiar dia-  
 lect of Celle and of Faeto, one mile  
 away. This study appears in Vol.  
 XXIII. 1, of the Publications of the  
 Modern Language Association of Amer-  
 ica. The isolated occurrence in Apulia  
 of a Francoprovençal dialect is due to  
 the fact, as shown by remains of the  
 Angevine Registers in the Grand Ar-  
 chives of Naples, that from 1269 to 1277  
 Charles of Anjou conferred lands and  
 estates in Apulia on Provençal nobles  
 and other vassals.

## The Connecticut Mutual Life Insurance Company,

HARTFORD, CONN.,

### Why should I insure my life?

Because it is a debt you owe to those who are dependent upon your earnings for their support.

You admit that it is your duty to supply their needs from day to day, but forget that it is equally your duty to provide an ever ready and sufficient equivalent for your earning power, which your family stands in constant jeopardy to lose by your premature death.

Guard your family against disaster and yourself against dependency in old age.

### When should I insure my life?

Now! The cost will never be less, and to-morrow you may not be able to obtain insurance at any price.

Even if others are not now dependent upon you, take time by the forelock and you will be the better able to meet future responsibilities, and at a smaller premium.

### Where shall I insure my life?

In a purely Mutual Company.  
In a company that earns, declares, and pays annual dividends.  
In a company that is doing a conservative business.

Such a Company is The Connecticut Mutual Life Insurance Company of Hartford, Conn. It furnishes perfect protection at lowest cost.

For further information, address the Company, or any of its agents.

HENRY S. ROBINSON, Vice-Pres't.  
WILLIAM H. DEMING, Secy.

## S. D. C. BANQUET.

Very Enjoyable Time.

Saturday evening at 7 o'clock the Sophomore Dining Club held its monthly banquet at Chase's Chop House on Asylum street. Sturges Harmon acted as toastmaster in a very entertaining and pleasant manner. The following toasts were responded to: "Aims of S. D. C.," Harry Marlbor; "Trinity Customs," C. B. Judge; "Our Obligation to Our College," J. R. Cook and "The Future of 1910," Hobart Cook.

After the toasts, a general discussion took place in which most of those present took part at the request of the toastmaster. College and class spirit were the themes of most of the speakers.

At the banquet two new members were initiated, C. B. Judge and W. F. McElvoy.

The following were at the tables: Gilbert Brown, G. C. Capen, H. W. Cook, J. R. Cook, Jr., N. H. Gildersleeve, Joseph Groves, Sturges Harmon, C. B. Judge, H. S. Marlbor, W. F. McElroy, A. L. Potter and J. P. Webster.

**\$8.50 PUNCTURE-PROOF TIRES** ONLY **\$4.80** PER PAIR

Regular Price \$8.50 per pair.  
To Introduce We Will Sell You a Sample Pair for Only

**4.80**  
NAILS, TACKS OR GLASS WON'T LET OUT THE AIR  
(CASH WITH ORDER \$4.55)

**NO MORE TROUBLE FROM PUNCTURES.**

Result of 15 years experience in tire making. No danger from **THORNS, CACTUS, PINS, NAILS, TACKS** or **GLASS**. Serious punctures, like intentional knife cuts, can be vulcanized like any other tire.

Two Hundred Thousand pairs now in actual use. Over Fifty-five Thousand pairs sold last year.

**DESCRIPTION:** Made in all sizes. It is lively and easy riding, very durable and lined inside with a special quality of rubber, which never becomes porous and which closes up small punctures without allowing the air to escape. We have hundreds of letters from satisfied customers stating that their tires have only been pumped up once or twice in a whole season. They weigh no more than an ordinary tire, the puncture resisting qualities being given by several layers of thin, specially prepared fabric on the tread. That "Holding Back" sensation commonly felt when riding on asphalt or soft roads is overcome by the patent "Basket Weave" tread which prevents all air from being squeezed out between the tire and the road thus overcoming all suction. The regular price of these tires is \$8.50 per pair, but for advertising purposes we are making a special factory price to the rider of only \$4.80 per pair. All orders shipped same day letter is received. We ship C.O.D. on approval. You do not pay a cent until you have examined and found them strictly as represented.

We will allow a cash discount of 5 per cent (thereby making the price \$4.55 per pair) if you send **FULL CASH WITH ORDER** and enclose this advertisement. We will also send one nickel plated brass hand pump and two Sampson metal puncture closers on full paid orders (these metal puncture closers to be used in case of intentional knife cuts or heavy gashes). Tires to be returned at OUR expense if for any reason they are not satisfactory on examination.

We are perfectly reliable and money sent to us is as safe as in a bank. Ask your Postmaster, Banker, Express or Freight Agent or the Editor of this paper about us. If you order a pair of these tires, you will find that they will ride easier, run faster, wear better, last longer and look finer than any tire you have ever used or seen at any price. We know that you will be so well pleased that when you want a bicycle you will give us your order. We want you to send us a small trial order at once, hence this remarkable tire offer.

**COASTER-BRAKES**, built-up-wheels, saddles, pedals, parts and repairs, and everything in the bicycle line are sold by us at half the usual prices charged by dealers and repair men. Write for our big **SUNDRY** catalogue.

**DO NOT WAIT** but write us a postal today. **DO NOT THINK OF BUYING** a bicycle or a pair of tires from anyone until you know the new and wonderful offers we are making. It only costs a postal to learn everything. Write it **NOW**.

**MEAD CYCLE COMPANY, Dept. "JL" CHICAGO, ILL.**

Notice the thick rubber tread "A" and puncture strips "B" and "D," also rim strip "H" to prevent rim cutting. This tire will outlast any other make—SOFT, ELASTIC and EASY RIDING.
